Zoning Requirements:

8.4.9 SWIMMING POOLS

When allowed in-ground and above ground swimming pools which have a water depth over 24 inches and have a surface area of at least 100 square feet shall be subject to the following additional requirements:

- A. The pool shall be completely enclosed by an opaque fence at least six feet in height if any portion of the pool or pool decking is within 20 feet of a property line. Pools not within 20 feet of the property line shall be enclosed with an opaque fence that is at least four feet in height. The exterior walls of the residence or buildings may be incorporated as a portion of the fence to create a fully enclosed area around the pool. All fence openings into the pool area shall be equipped with self-closing and self-latching gates.
- B. Private swimming pools (as well as the decking and equipment associated with the pool) on single-family, duplex, and triplex lots shall not be located in the street yards and not be closer than five feet to any property line.
