

City of Columbia
Presents
MAYOR'S DESIGN AWARD
&
MAYOR'S BEAUTIFICATION AWARD

The Architectural Review Team, with Council's approval, has voted to offer a Mayor's Design Award and a Mayor's Beautification Award.

The Mayor's Design Award would be to encourage developers to consider the surrounding character and to become more creative with the requirements and standards set forth by the City of Columbia's zoning ordinance.

The Mayor's Beautification Award would be to encourage property owners, residential or commercial, to keep or make their landscaping aesthetically pleasing in a manner that embodies the character of their neighborhood.

The City of Columbia Planning Department will accept nominations by application from January 2012 through August 2012. The nominations will then be presented to the Architectural Review Team, where they will review and choose the winners in each category.

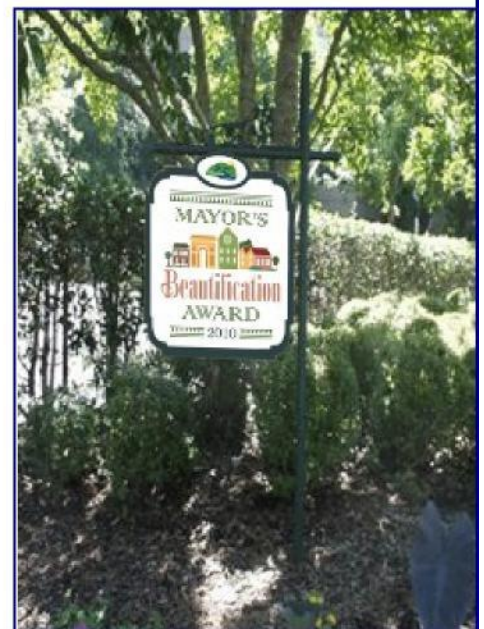

A list of recipients will then be presented to City Council where Council will acknowledge the recipients. A small banquet will be held, with the Mayor presenting the recipients with their certificates. The signs will be picked up by the recipient at City Hall Planning Department and installed at the recipient's expense.

If you have any questions, please feel free to call the City Planning Department at 931-560-1560.

The Planning Department, City Council and Architectural Review Team are very excited to offer these signs and look forward to acknowledging all of the hard work and dedication which developers and residents put forth in the City of Columbia.
