Request Letter for Conditional Use for Hannaway Street Church of God, 507 Hannaway Street, Columbia, Tennessee 38401

Mr. McCarthy:

This Request letter is for the Conditional Use Permit that you had advised my Client, Mr. Montrae Osborne that he needed for the New Church to be located on the current lot. Chapdelaine Surveying has combined all tracts into two lots as shown. Our site plan is included and shows that we are moving the church into the MBSL as needed. Expansion of the church use is what is being requested. Church will be on lot 1 with some parking as shown, and additional parking is provided on lot 2 across the road from the Church as shown on our attached site plan.

On behalf of my client, Mr. Montrae Osborne , representative for Hannaway Street Church of God, we want to express thanks and support for this project that we have received form the City of Columbia and their staff and we look forward to working with you all as we complete this project.

Please do not hesitate to contact me at 615-480-7535 should you have any questions and/or comments.

Sincerely,
Chet Rhodes, PE, REPA
