RE: Application No. 22-0183 – Conditional Use (Extractive Use)
Tax Map 66, Parcels 20.25 and 20.26

Dear Austin,

Our firm represents Vulcan Construction Materials, L.P. and its subsidiaries (collectively, “Vulcan”) in connection with its conditional use permit application seeking to allow expansion of an existing mining facility in the City of Columbia. Vulcan respectfully wishes to seek a one-month deferral of its application in order to consider the conditions proposed in the Board of Zoning Appeals Staff Report.

Sincerely,
